

Bowie Seniors Computer Club

Meeting Minutes for Sept 17, 2020

Date: Sept 17, 2020

Location: Zoom Meeting

19 Attendees: Bob Blum, Dennis Evans, Dale Grant, Dave Hackenberg, Barry Hammond, Berry Hill, Victor Kiviat, James Kozura, Dan Lee, Bill Long, Bob Rapczynski, Irv Salzberg, Doris Smith, Flo Strawser, George Vincent,

Announcements: Dave Hackenberg opened the meeting at 12:35. He announced that Laurel Raymond is back at work at the Senior Center; the Center Newsletter will be expanded to include more information; he informed about an Hewlett Packard message involving a laptop home screen change.

Topics: Doris Smith told about the Garden Club's contest plans to host photos and how that might be done considering email size limits and the Garden Club's file storage issue.

Bob Blum described issues arising from his cellular service switch from Boost to Consumer Cellular.

Irv Salzberg spoke about his preference for unlocked phones. Battery life was noted as being a consideration in phone choice.

There was extended discussion on Zoom speaker view vs. Gallery view and other setting and options choices when using Zoom.

Bob Blum told about a web site that provides the installation files for installing old versions of Windows no longer available from Microsoft. Bob further told of a free spreadsheet app available from Symphytum,

Dennis Evans told that he is working on an internet security training lesson.

Dave noted that he and Eric Hein are working on Managing Files and Folders training course.

Irv Salzberg told about his new homebuilt 9-core super computer

Meeting wrapped up approximately 2:20

Zoom Host: Dennis Evans
