

BOWIE SENIORS COMPUTER CLUB

MEETING MINUTES FOR APRIL 16, 2015

Carl Bulger called the meeting to order at 12:35pm.

The guest speakers were Best Buy Geek Squad techs Shellon Farrier and Darris Dameron. In lieu of a prepared slide show type presentation they offered the Club an extended Question & Answer session which proved to be very informative. The discussions include many topics of interest to Club members, including features, costs and installation of Smart TV's, Apple TV's, Google TV's, Broadcast TV, 3-D TV, speaker systems, TIVO, Roku, and other home entertainment items. Shellon and Darris both demonstrated an extensive knowledge of home entertainment equipment and computers. Also discussed was Best Buy's hiring and training practices.
