Meeting Minutes for Meeting of Sept 21, 2017

Carl Bulger opened the meeting at 12:30. There was no guest speaker for this meeting. The table had some free stuff: a monitor, some memory modules, a mouse, some printer ink cartridges and some other items.

Attendees: Carl Bulger, Dennis Edgington, Dennis Evans, Dale Grant, Barry Hammond, Dan Lee, Bill Long, Bob Rapczynski, Dan Searing, Doris Smith, Flo Strawser, Russ Vaughn and George Vincent.

The topics of discussion included:

- The Equifax identify theft concerns

- Credit card fraud and protective measures

- Nominations for BSCC President and Vice President

- The CCleaner Windows application hack and recommended actions to be taken.

- What to do (replace or service?) a slow computer.

- Recommendations for storage and sharing of large amounts of photos and videos in a means that will assure that they are protected from disasters and will be available to our descendants.

- The popularity and benefits of the Wednesday computer help program.

- The use of Kaspersky software.

The meeting closed earlier than usual. Several members stayed after the meeting and shared thoughts, one of which was actions and recommendations regarding cleaning-up a computer that is to be sold or given away without wiping the hard drive.
