Meeting Minutes for Meeting of Nov 15, 2018

Attendees: Dennis Evans, Victor Kiviat, James Kozura, Daniel Lee, Bill Long, and Bill Macri

Due to weather (rain, sleet, snow) only six members showed up. There was no significant discussion of any technical computer related topics.

Dan Lee was prepared to discuss the information provided in an AARP Bulletin entitled “How They Track You” but decided to hold off on that for a future meeting.

The next meeting will be the Christmas Luncheon at Osaka Grill and Buffet.
