

Bowie Seniors Computer Club

Meeting Minutes for April 15, 2021

Date: April 15, 2021

Location: Zoom Online Meeting

Attendees: Bob Blum, Dennis Edgington, Dennis Evans, Dale Grant, Dave Hackenberg, Mark Laster, Dan Lee, Bill Long, Charlotte Melichar, Bob Rapczynski, Irv Salzberg, Clara Smith, Doris Smith, Florence Strawser, George Vincent. Visitor: Ida May Johnson

Announcements: Dave Hackenberg had a discussion with Laurel regarding updating of the Senior Site classroom computers. Dave Hackenberg expressed need for reconsideration of courses to be taught.

Discussion:

Comparison Zoom and WebEx and other online meeting applications and whether they necessarily involve installation of client software.

George Vincent gave a demo of the application that his MARS group uses. Several of the attendee's questioned if his demonstration was one of WebEx. George plans to check on this and let us know.

Bob Blum explained the usefulness of Windows built-in "File History".

There was much discussion about "The Cloud" and perhaps it should be the subject of a future presentation.

Minutes: Bill Long

Zoom Host: Dennis Evans
