**Announcements:** Dave Hackenberg announced that the next meeting will be on April 6. April will be the first month with only one meeting as decided at the March 2<sup>nd</sup> meeting. That meeting will be the last chance for one or more members to volunteer to be co-webmasters for the club's website at <http://BowieSeniorCenter.org/BowieSeniorsComputerClub> which would involve posting information regarding meetings on the website.

**Open Discussion:** There was some discussion about changing the name of the club to be more inclusive of other technologies. Dave Hackenberg's opinion was that while the discussions during the meetings are not restricted to computers only, changing the name to include "technology" may scare off potential new members. No further action on this subject is anticipated.

**Presentation:** Eric Hein demonstrated the procedure for posting information to the Club's website. It is now posted on the website as "Website Maintenance."

**Future Meetings:** The next meeting will be at the Center on Thursday, April 6<sup>th</sup>.
