Bowie Seniors Computer Club

Meeting Minutes

Date: June 1, 2023

Location: Bowie Senior Center, Computer Classroom

Attendees: Bob Blum, Genevieve Clemens, Dale Grant, Dave Hackenberg, Barry Hammond, Rosemary Hill, James Kozura, Mark Laster, Daniel Lee. Bill Macri, Faye Minor, Bob Rapczynski, Dan Searing, Clara Smith, Doris Smith, Flo Strawser, Berlyn Wheeler, David Wheeler

New Member: Genevieve Clemens

Announcements: Dave Hackenberg started the meeting by announcing that Barry Hammond had offered several books and a VGA/HDMI adapter to any attendee. Also, the Center is offering Wednesday evening programs in June, July, and August. The June newsletter provides details.

Open Discussion: Dan Lee noted that Facebook was showing potential friends that he has never heard of. There was also a short discussion regarding email scams

Presentation: Dave Hackenberg demonstrated many Word features that users may not have been aware of or used. There was considerable difficulty getting the instructor's computer to work which only demonstrated the absolute need to replacements.

Bob Blum presented a demonstration and instructions on the use and management of a variety of browsers including a fairly new one called Brave. Bob offered that there are a number of You Tube videos that show ways to manage web browsers and search engines.

Future Meetings: The next meeting will be at the Center on Thursday, July 6. Dave Hackenberg plans to give a presentation of the use of PowerPoint. He requested members to offer suggestions for future programs. Perhaps one on AI.
