# Bowie Seniors Computer Club

**Meeting Minutes for Meeting of May 17, 2018**

Carl Bulger opened the meeting at 12:30.

Attendees: Carl Bulger, Dennis Edgington, Dennis Evans, Dave Hackenberg, Barry Hammond, James Kozura, Mark Laster, Dan Lee, Bill Long, Bill Macri, Bob Rapczynski, Irv Salzberg, Dan Searing, Russ Vaughn, George Vincent, Margaret Gregory, and Jim Reilly.

(1) Bill Macri gave a presentation on the Teamviewer software application and provided information about other useful applications and home surveillance networking.  His presentation links are provided on page 2 following.

(2) Dave Hackenberg informed the club about Senior Center classroom computer equipment updating options and maintenance responsibility. ('Upgrade vs. replace' considerations and 'Bowie IT vs. club volunteers'). Bob Blum noted that the Club's autonomy over the classroom computers could be adversely affected if Bowie IT were given additional responsibility. There was discussion regarding the appropriate classroom courses to be offered considering the needs of Bowie seniors. Dave asked for members thoughts.

(3) George Vincent brought in his wife's laptop seeking information and help regarding numerous unidentifiable files.

(4) Dan Lee noted the increasing difficulty of finding guest speakers.
