Announcements:
Senior Center covid19 restrictions on masks and temperature checks have been lifted. Shields at the front desk remain.
Classroom computers have problem (e.g., mouse operation and restarts) that have been identified to IT. IT recommended computer replacements but will look at the ones with problems for now.

Discussion topics:
Windows11 upgrades, Linux, City of Bowie's new video, Wikipedia extension Wikiwand, CCleaner, Use of Task Manager, Use of online social groups (e.g., Jitsi, Yahoo groups, Google groups, Google Meet), Zoom host account management and meeting controls.

After much discussion the general consensus was that we could hold in-person meetings at the Senior Center the first meeting of the month and Zoom for the second meeting. Some attendees at the first meeting will attempt to connect to Zoom as a test.

Next meeting: April 7, 2022…..meeting will be at the Senior Center

Minutes: Bill Long

Zoom Host: Dennis Evans
